Launch with Lonza™ innovation services

A full suite of concept-to-market services
to turn ideas into breakthrough products

Discover your next new product

At Lonza, we're driven by our purpose to enable a healthier world. It's the 'why' behind everything we do and it's the driving force behind our Launch with Lonza™ innovation services.

Whether you're looking for that next big idea or need formulation and manufacturing support, **our end-to-end services help you get to market—fast.**

Why Launch with Lonza™ innovation services?

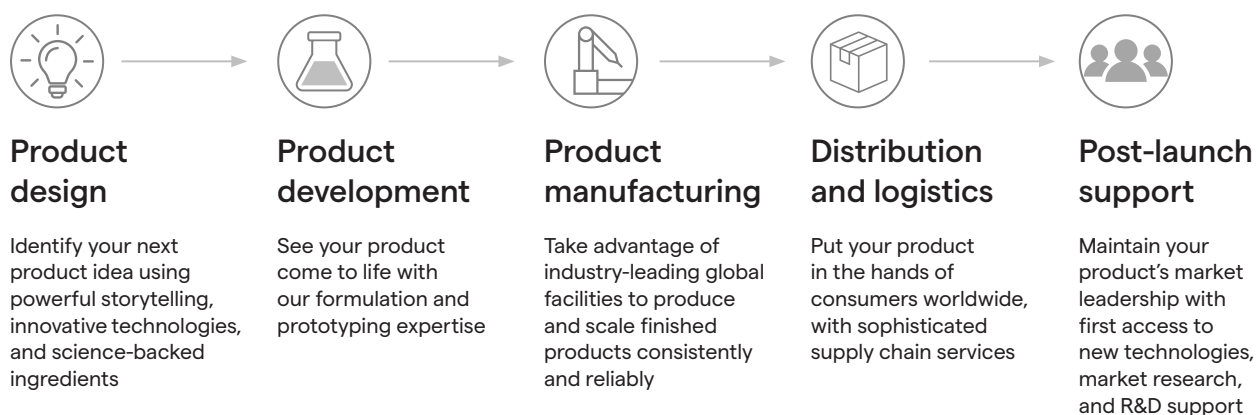

As leaders in ingredient technology and high-quality capsules, we leverage our deep technical experience to power a comprehensive suite of services, generating unparalleled business opportunities and helping you:

- **Disrupt the market fast**
with our full suite of global services, from ideation to formulation to manufacturing
- **Overcome technical barriers**
with our team of R&D experts and state-of-the-art manufacturing facilities
- **Command premium positioning**
with proprietary dosage forms, science-backed ingredients and powerful product messaging

Our end-to-end services bring new ideas to life

From idea generation and evaluating early stage concepts to our world-class manufacturing and distribution services, our team of technical experts help you bring new products to life.

Flagship services

Innovation workshops	Benchtop formulation	Piloting, scale-up, and validation	Vendor management services	Ongoing quality, regulatory, and technical support
----------------------	----------------------	------------------------------------	----------------------------	--

Differentiate in the competitive dietary supplement market

From technology-driven dosage forms to research-backed health ingredients, our product portfolio complements our services, helping you launch stand-out products.

Capsules

Our premium, liquid-filled capsules combine proprietary capsule design and fusion technology with innovative ingredient delivery systems to create highly functional and uniquely experiential supplements.

Ingredients

Access our clinically proven, globally-recognized branded ingredients or leverage our industry-leading procurement services to source high-quality ingredients from around the world.

Imagine the possibilities

Customize how we work together

depending on your business needs

Partnering with us means not only full access to our toolbox of products, but a full menu of service options to choose from, so you can customize how we innovate together.

Complete partner

Not sure where to start? We guide you through the complete process—from formulation and dosage form selection, prototyping, and more—building your finished product to meet your exact needs

Technical partner

Tell us about your formulation challenges, ingredient requirements, or dosage form prerequisites, and we take care of the rest, creating the finished formula you need

Manufacturing partner

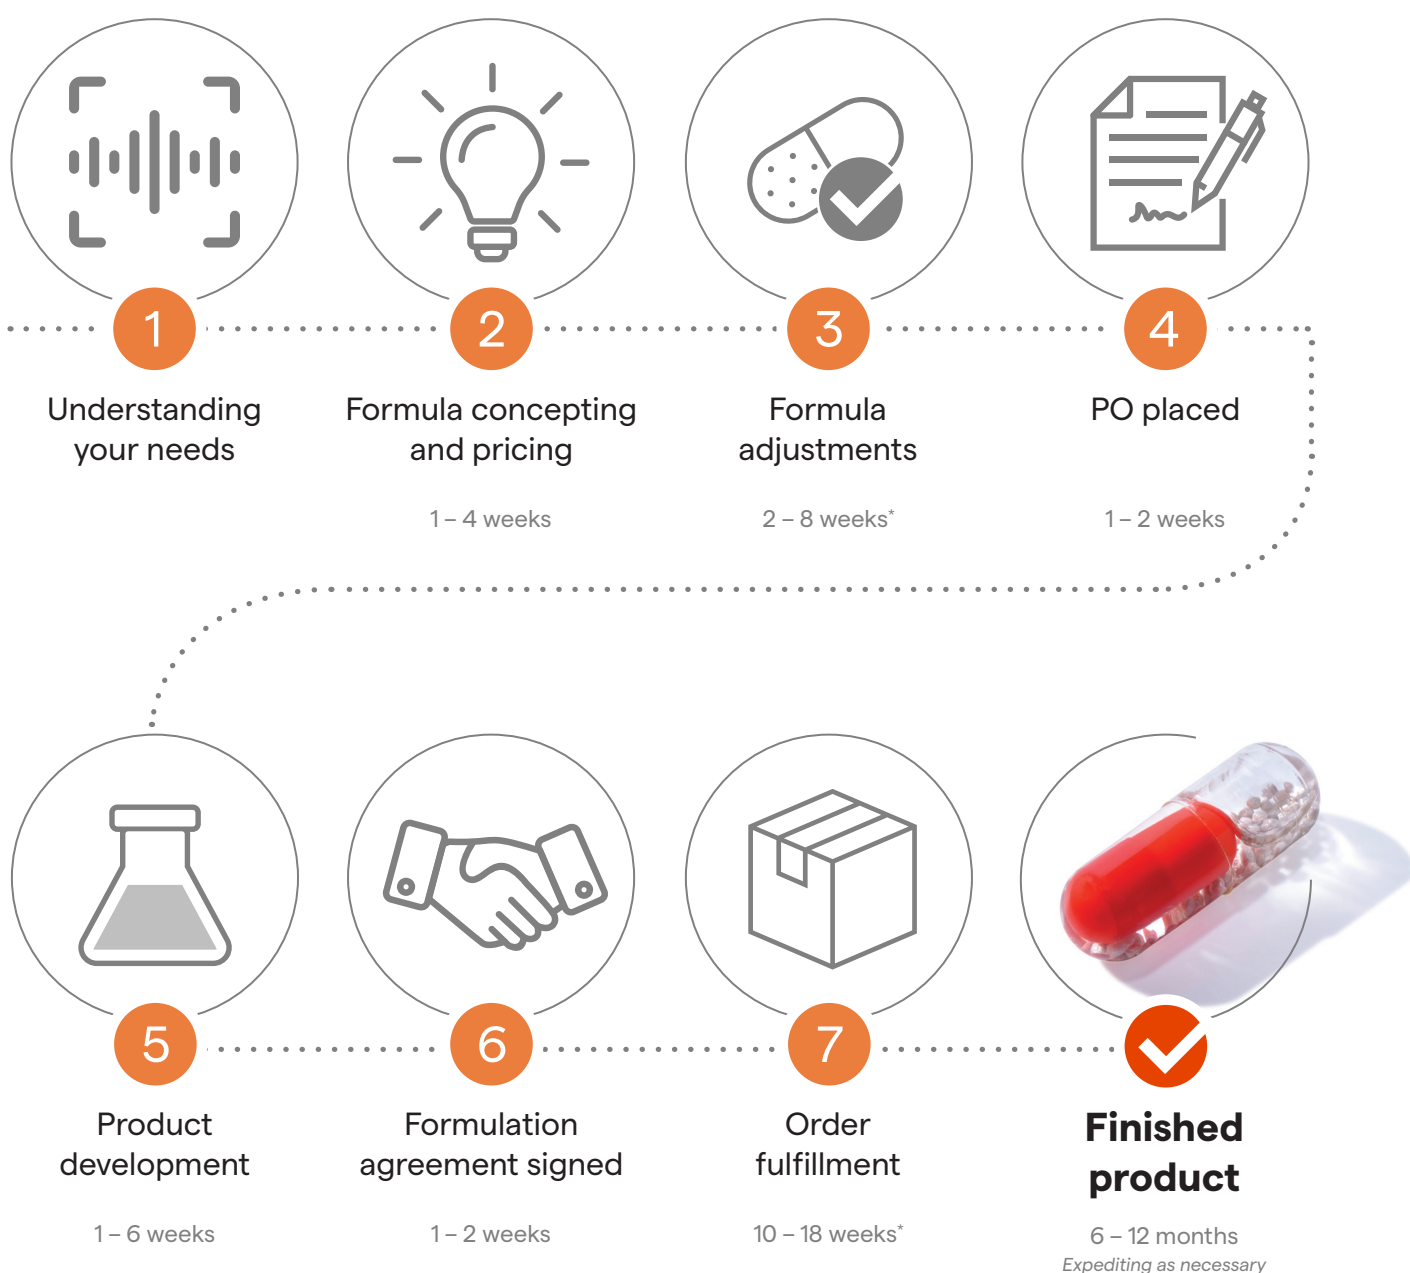

Using your complete formula specifications and dosage form requirements, we bring your product to life with our deep manufacturing knowledge and global network

Our experts are here to help you at every stage

Develop your next product

Launch with Lonza™ innovation services **timeline**
