

June 3rd, 2025

Enhancing oral bioavailability of peptides with capsule technology

Location: Onsite in the recently launched Innovaform® Accelerator
Lonza Capsules & Health Ingredients, 10 rue Timken, 68000 Colmar, France

Join us for an immersive experience, combining exchanges with our scientists, technical presentations, hands-on-demonstrations, and networking opportunities to deepen your understanding of capsule technology and bioavailability enhancement.

Who should attend?

- Scientists involved in formulation development of new drug modalities.
- Managers overseeing liquid filled capsule manufacturing and supply chains.
- Laboratory staff responsible for testing and quality control.

Why attend?

- Gain insights into advanced techniques for enhancing bioavailability with lipid-based formulations.
- Learn about the design and production of Licaps® capsules and fusion technology.
- Develop practical skills in formulating, filling, and testing liquid-filled hard capsules.
- Network with industry peers and experts to exchange ideas and best practices.
- Explore how Lonza Innovaform® Accelerator can aid in product development.

Monday, June 2nd

Pre-event evening

5:00 PM – 6:00 PM	Capsule manufacturing plant tour (optional) <ul style="list-style-type: none">Explore the Lonza CHI facilities and get an exclusive preview of the manufacturing site.
6:30 PM – 8:30 PM	Networking dinner <ul style="list-style-type: none">Enjoy a relaxed dinner in Colmar to get know fellow participants and the Lonza CHI team.

**The site tour is optional and will provide a behind-the-scenes look at Lonza CHI's capabilities. Participants can join the tour before heading to the networking dinner venue.*

Tuesday, June 3rd

Capsule Academy Agenda

8:30 AM – 9:00 AM	Registration and welcome coffee
9:00 AM – 9:15 AM	Opening remarks and introduction to Lonza CHI and Innovaform® Accelerator
9:15 AM – 10:15 AM	Presentation session <ul style="list-style-type: none">Formulation of lipid-based formulations to enhance bioavailability of peptidesLicaps® design capsules and fusion technology
10:15 AM – 10:30 AM	Coffee break
10:30 AM – 11:15 AM	Lab Tour <ul style="list-style-type: none">Showcase of Innovaform® Accelerator capabilities
11:30 AM – 12:30 PM	Hands-on modules (3 parallel sessions) <ol style="list-style-type: none">Filling and sealing of capsules with lipid-based formulationsCharacterization of lipid-based formulationsCompatibility testing of lipid-based formulations with capsules
12:30 PM – 1:30 PM	Networking lunch
1:30 PM – 3:30 PM	Hands-on modules continued
3:30 PM – 4:00 PM	Coffee break and networking with business development team
4:00 PM – 4:30 PM	Wrap-up and Q&A session
4:30 PM – 5:00 PM	Closing remarks and next steps
